

# **RECYCLE YOUR BICYCLE!**

**Do you have a bicycle that you're not using anymore?  
Are there any abandoned bicycles in your building?**

**You can help clean up your building  
while reducing global warming!**

**Donate your bicycles to Time's Up!, a twenty year old  
nonprofit that will fix and recycle your bicycle. Organize  
and collect the bicycles yourself or talk to your building  
manager, and then contact Austin -  
[bikedonation@times-up.org](mailto:bikedonation@times-up.org), and we will pick them up  
for you.**

**Sorry, no kid's bicycles.**
